Comments: According to MPEP 1481, a Certificate of Correction can be used to correct an applicant's "mistake" in a patent. However, the first statutory requirement concerns the nature, i.e. type, of the mistake for which correction is sought. The mistake must be (1) of a clerical nature, (2) of a typographical nature, or (3) a mistake of minor character. The changes re-submitted on 5/8/2008 do not fit either of these types of mistakes. They all impose further limitations into the claims, and thus have not been approved for entry. /David P. Bryant/ SPE, Art Unit 3726
